

Call for: Mobile Outreach Events to raise community awareness about NCDs and their prevention

Health for All Project in Albania (HAP) is funded by Swiss Agency for Development and Cooperation (SDC) of the Swiss Government and is being implemented by Health for All Centre in Fier and Diber Regions. Its overall goal is that the Albanian population, benefit from better health due to improved primary health care services and health promotion activities.

In this framework, HAP will support mobile community health promotion events to raise awareness of the causes of non-communicable disease (NCDs) and their prevention. HAP is calling for implementing partners (IP) with a strong record in community outreach to implement mobile outreach events according to the definitions in this TOR. We encourage the establishment of consortiums between NGOs which can jointly implement the activities”.
