21	Metër letër për matjen e plagës/ Wound Measuring Ruler	Wound Measuring Ruler (Pack of 250), Disposable paper Wound Measuring Rulers use centimeters and millimeters to document wound dimensions. Each contains ample space for recording patient name, date, and length, width and depth of wound.	pako/ pack	27			0
22	Komplet: 1(nje) Pompe per trajtimin e limfedemes e pajisur me 2 (dy) mansheta: Nje per trajtimin e limfedemes se krahut, dhe Nje per trajtimin e limfedemes te kembes/Set: 1 (one) Compression: Lymph-edema treatment pump supplied with 2 compression pads: one Arm Compression Pad and one Full Leg Compression Pad.	Compression pump device with sequential, gradient pressure, designed to treat primary or secondary lymphedema. The pump is lightweight, portable and easy to use. It can be used unilaterally (one limb) or bilaterally (two limbs). The pump inflates the chambers distally to proximally. This compression creates a massaging action that moves the excess fluid out of the affected limb. Cycle time: Adjustable 60 - 120 sec. Pressure Range: 20-80mm Hg; At least 2 year warranty. Power: 230 V; Frequency: 50HZ. Supplied with one Arm Compression Pad with four chambers, Medium size; and one Leg Compression Pad with four chambers, Medium size. Material: Made of high quality Denier Nylon Oxford coated with Polyurethane. The arm garment features a smooth uninterrupted, unilateral gradient pressure and flow, distally from the hand and arm, up to the axilla (armpit) and shoulder area. The leg garment features a smooth uninterrupted, unilateral gradient pressure and flow, distally from the foot, to proximally near the waist/torso. This maximizes the lymph flow out of the leg and back to a place in your body with normal lymphatic drainage.	komplet/set	27			0
23	Vigon / Intravenous catheter (IV) nr. 20 / no 20	Periferal IV catheter with Small Wings. Box of 50	kuti/ box	54			0
	nr. 22 / no 22	Periferal IV catheter with Small Wings. Box of 50	kuti/ box	54			0
24	Pajisje per ushtrimet e frymemarrjes/ Breath Exercise Measurement System	Breath Exercise Measurement System.
